&Tradition®

Recycling & Disassembly

Alima NDS4 & NDS5

Recycling
The Alima NDS4 & NDS5 are built to last, and we hope that they will serve you for many years. They are made from wood and metal and can be easily separated into components before being delivered to a suitable recycling station.

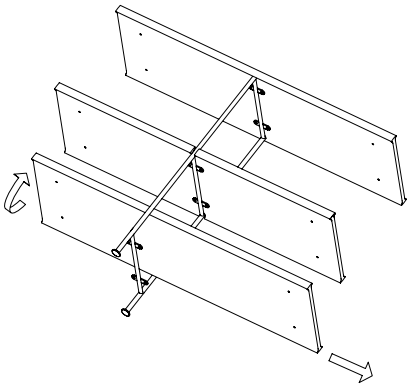

Spare parts
To purchase spare parts for your Alima NDS4 or NDS5, please write to our sales support team at info@andtradition.com with your query.

5 year warranty
&Tradition provides a 5-year warranty with every Kape chair. This warranty covers any faults present at the time of purchase, or those that may have occurred as a result of a manufacturing defect. The warranty is valid from the date stated on the original invoice.

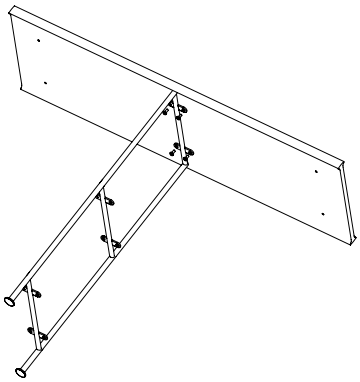

Disasembly

1. Start by removing the screws that connect the two side frames to the shelves. Separate the side frames from the shelves.

2. Next, remove the screws that secure each shelf to the middle frame. Start with the bottom and middle shelves.
To separate the shelves from the middle frame, gently press on one of the sides to tilt the shelf at an angle, then slide it out.

3. Finally, remove the screws holding the top shelf in place.
