Product Fact Sheet

Cotton Throw SC32 & SC33
Space Copenhagen
2020

Product category
Throw

Environment
Indoor

Material
100% organic cotton

Production process
The throw is made from 100% organic cotton and is composed of 3 layers of fine woven cotton, finished with raw semi twisted fringes on all sides. The layers are linked together with a slim stich which gives the throw a crinkled effect that creates a unique pattern. The throw comes with a front and backside colour giving the opportunity to change identity from day to day.
