Recycling & Disassembly

X HM13

RECYLING

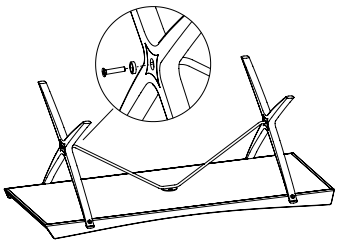

The X table is built to last,
and we hope that your X table will serve you for many years. The table is made from solid wood and wood veneer, and can be easily separated from its stretcher. All metal and wooden parts can be separated and delivered to a suitable recycling station.

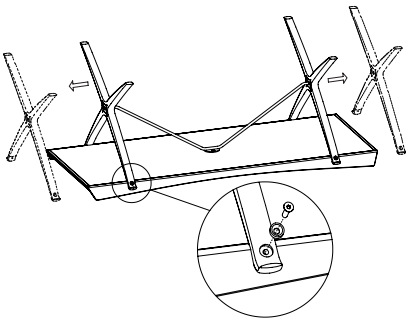

SPARE PARTS

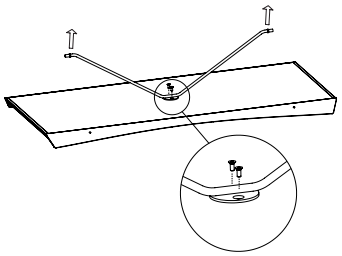

To purchase spare parts for your X table, please write to our sales support team at info@andtradition.com with your query.

5 YEAR WARRANTY

&Tradition provides a 5-year warranty with every X table, which covers faults which were present at the time of purchase, or which have occurred as a result of a manufacturing defect. The warranty is valid from the date stated on the original invoice.

DISASSEMBLY

1. Place the the table upside down on a soft, flat surface. Use an Allen Key to remove the long screw connecting the legs and stretcher. Turn counterclockwise to loosen it, and then remove both the screw and washer.

2. Remove the screws and washers connecting the legs with the tabletop. Then, slide the legs off the ends of the stretcher.

3. Finally remove the screws connecting the stretcher with the table top before seperating these two parts.
