Step 1 / 6

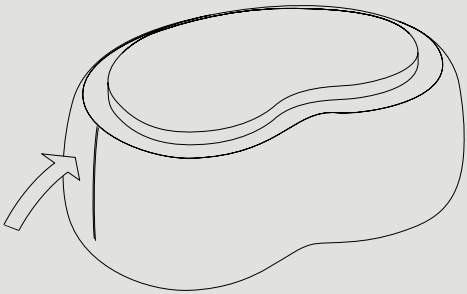

Ensure you have at least one other person to assist you in this process.

To remove the cover of the Margas Pouf, begin by carefully turning the sofa onto its back.

Step 2 / 6

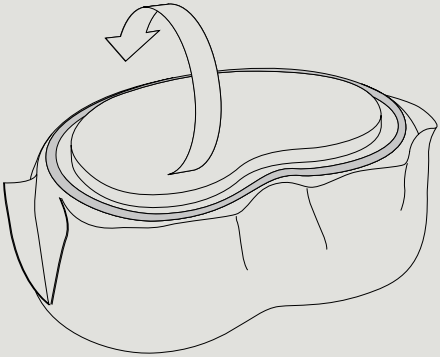

Locate the zipper on the left side of the pouf and carefully unzip it.

Step 3 / 6

Loosen the cover along the bottom edge of the pouf by detaching the velcro between the fabric and the base.

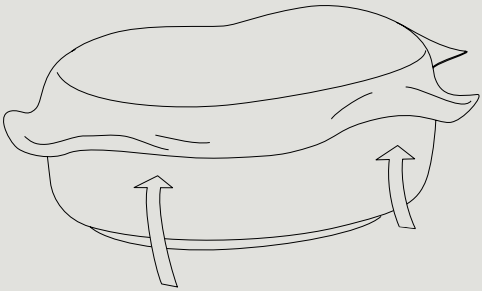

Return the pouf to an upright position.

Step 4 / 6

Ensure that the velcro is fully detached before removing the cover by lifting it upwards.

To attach a new cover, repeat the steps in reverse.
