Material
Powder coated steel and marble

Production process
Tabletops: The marble is cut into shape and polished to get a matt finish. It is then treated with a protective surface treatment. As marble is a natural material, each marble tabletop is unique.
Marble tabletops: The marble is cut into shape and polished to get a matt finish and is then treated with a protective surface coating. Please note: this is not a stain-repellent treatment. This coating does not protect from strong detergents, alcohol, or acidic substances. Please remember to wipe off any spilled liquids immediately to avoid permanent stains. As marble is a natural material, each tabletop is unique.
Base: The base is made from powder coated steel
