Product description
Dining table

Environment
Indoor

Material
Solid wood or marble & steel center base

Production process
Wooden tabletops: The tabletop is built from solid wood and treated with either lacquer or oil. **Marble tabletops:** The marble is cut into shape and polished to get a matt finish and is then treated with a protective surface coating. Please note: this is not a stain-repellent treatment. This coating does not protect from strong detergents, alcohol, or acidic substances. Please remember to wipe off any spilled liquids immediately to avoid permanent stains. As marble is a natural material, each tabletop is unique.
Base: The base is made from powder coated steel.

Variants
Wooden tabletops: Oiled Oak, Smoked Oiled Oak, Oiled Walnut, Black Lacquered Oak. **Marble tabletops:** Nero Marquina, Bianco Carrara, Verde Guatemala. **Base:** Black or Bronzed
