Recycling & Disassembly

Ville AV46

RECYLING

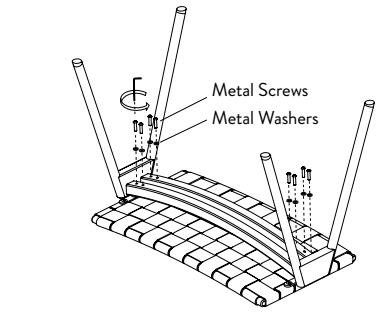

The Ville footstool is built to last, and we hope that your Ville will serve you for many years. The stool is based on a metal frame and the seating is covered with straps, which can be easily separated. All metal and fabric parts can be separated and delivered to a suitable recycling station.

SPARE PARTS

To purchase spare parts for your Ville footstool, please write to our sales support team at info@andtradition.com with your query.

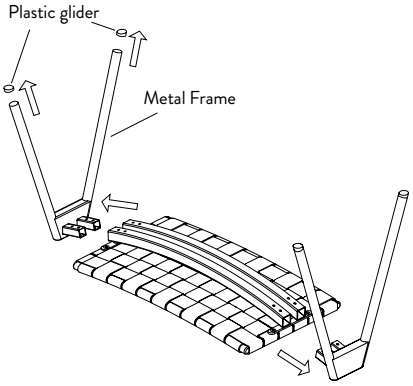

5 YEAR WARRANTY

&Tradition provides a 5-year warranty with every Ville footstool, which covers faults which were present at the time of purchase, or which have occurred as a result of a manufacturing defect. The warranty is valid from the date stated on the original invoice.

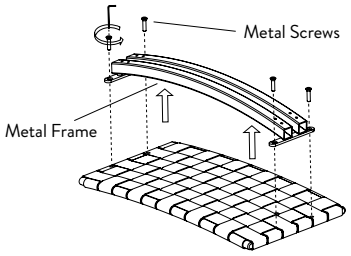

DISASSEMBLY

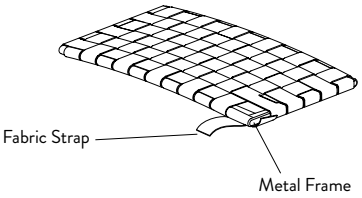

1. To remove the legs from the frame, remove the screws located underneath the seat.

2. Slide the legs off the frame and remove the plastic gliders.

3. Remove the screws connecting the frame to the seating. Seperate both parts.

4. Cut the fabric straps open with a putty knife to seperate them from the frame.
