Allwood AV35
Anderssen & Voll
2024

Product Fact Sheet

Allwood AV35
Anderssen & Voll
2024

W: 48.4 cm / 19 in
D: 53.5 cm / 32 in

Product description
Side chair

Environment
Indoor

Material
Frame is made from solid oak. Seat and back panels are made from oak veneer with clear waterbased lacquer. This product has not been treated with any biocides.

Production process
The veneered seat and back rest are made by form pressing thin layers of wood veneer together in an aluminium press and cut to size. The solid wood frame is made using CNC milling machines. Chairs are sanded and treated with clear water-based lacquer.

Recycling & Disassembly

Allwood AV35

RECYLING

The Allwood chair is built to last, and we hope that your Allwood chair will serve you for many years. The chair is made from solid wood and wood veneer.

All wooden parts should be delivered to a suitable recycling station.

SPARE PARTS

To purchase spare parts for your Allwood chair, please write to our sales support team at info@andtradition.com with your query.

5 YEAR WARRANTY

&Tradition provides a 5-year warranty with every Allwood chair, which covers faults which were present at the time of purchase, or which have occurred as a result of a manufacturing defect.

The warranty is valid from the date stated on the original invoice.
