Product Fact Sheet

AV2 & AV4

Recycling & Disassembly

Pavilion AV2 & AV4

RECYLING

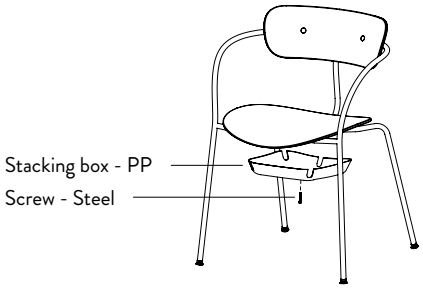

The Pavilion chair is built to last, and we hope that your Pavilion will serve you for many years. The chair is made from wood veneer and powder coated steel, and can be easily separated from its base. All metal and wooden parts can be separated and delivered to a suitable recycling station.

SPARE PARTS

To purchase spare parts for your Pavilion chair, please write to our sales support team at info@andtradition.com with your query.

5 YEAR WARRANTY

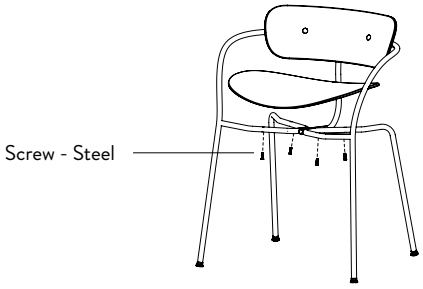

&Tradition provides a 5-year warranty with every Pavilion chair, which covers faults which were present at the time of purchase, or which have occurred as a result of a manufacturing defect. The warranty is valid from the date stated on the original invoice.

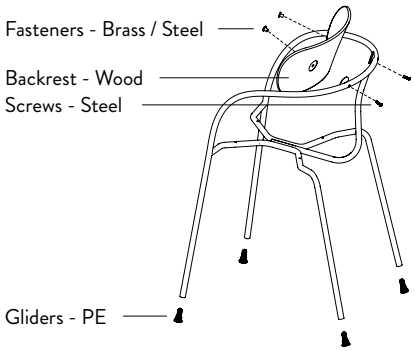

DISASSEMBLY

Disassembling of Pavilion chair

1. Unscrew the screw underneath the plastic shell.

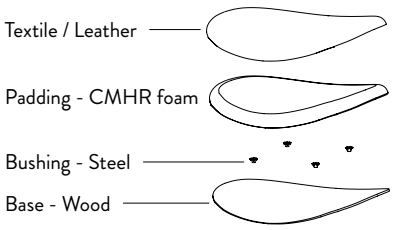

2. Unscrew the screws underneath the chair to remove the seat.

3. Unscrew the screws behind the back of the chair, to remove the backrest and fasteners.

4. Remove the gliders.

Disassembling of upholstered seat (AV4 only)

Remove the textile, padding and bushings from the wooden base of the seat.
